COSMOS® COOK-WOK PRIME - GAS

Cosmos Cook-Wok® Prime is a high-performance bulk cooking solution perfect for gravies, curries, sautéed dishes, sweets, and stir-fried recipes, delivering consistent texture and taste with its advanced stirring system that prevents burning. Featuring a fully closable lid, concealed gearbox, and energy-efficient heating, it is available in Gas, Induction, and Steam variants to meet diverse cooking requirements.

CONSTRUCTION & DESIGN ●●●

SUS 304 Stainless steel bowl, lid, housing and Stirring tool.

Best-in-class stirring system with Teflon scrapers for complete pan coverage

Motorised lid opening and vessel tilting mechanism

Smooth brushed finish with mobile wheel support

KEY FEATURES Ⓢ

Variable RPM with forward & reverse stirring for uniform mixing

Air-Blow Burner for faster heating and energy savings

Continuous stirring during tilting for zero product wastage

Water inlet system for controlled water addition during cooking

Silent, splash-free operation with advanced safety protections

Time & Temperature Control System to assure food quality

Build for: Stir Frying • Sautéing • Deep Frying • Gravies & Curries • Sweets & Halwa • Boiling • Braising & Stewing

Application: Stir Frying • Deep Frying • Sautéing • Steaming • Braising • Stewing • Boiling

Capacities: 50, 100, 200, 400, 600 & 800 litres
