

COSMOS® ZETA B VEGETABLE CUTTER

The Zeta B Vegetable Cutter is a high-performance conveyor-type machine designed for bulk and heavy-duty processing. It features a stainless steel conveyor belt-driven system allowing it to handle tougher loads, longer operating hours, and higher volumes with better durability and reduced motor stress.

CONSTRUCTION & DESIGN ●●●

- High-grade stainless steel body
- Compact and space-saving structure
- Precision-engineered moving parts
- Ergonomic and sturdy framework
- Food-grade contact surface

KEY FEATURES ☺

- Conveyor belt system for bulk slicing & chopping
