COSMOS® INDUCTION DEEP FRYER

Cosmos Induction Deep Fryer is designed for fast heating and precise temperature control, ensuring perfectly crispy results every time. Its energy-efficient induction technology provides uniform heat distribution while reducing power consumption. Built for commercial kitchens, it offers safe operation, durability, and easy cleaning for daily high-volume use.

CONSTRUCTION & DESIGN ●●●

Heavy-duty stainless steel construction for durability
Magnetic field induction eddy current heating technology
Designed for uniform heat distribution across the wok surface
Single and Double Basket options available

KEY FEATURES ☺

Fast heat response with reduced preheating time
Accurate temperature control for consistent results
Multiple power level settings
Energy-efficient operation
