

COSMOS® INDUCTION WOK FRYER

The Cosmos Induction Wok Fryer is designed for high-speed, high-efficiency cooking in commercial kitchens. Built with advanced induction technology, it delivers instant heat response, precise temperature control, and uniform heat distribution — making it ideal for stir-frying, sautéing, deep-frying, and high-flame style cooking without an open flame.

CONSTRUCTION & DESIGN ●●●

- Heavy-duty stainless steel construction for durability
- Magnetic field induction eddy current heating technology
- Uniform heat distribution across the wok surface
- Waterproof and insulated construction for safe operation
- Ergonomic design for continuous commercial use

KEY FEATURES ⏻

- Fast heat response with reduced preheating time
- Accurate temperature control for consistent results
- Multiple power level settings & energy-efficient operation
- Consistent taste and texture across batches
- Lower energy consumption

Build for: Hotels • Restaurants • Central Kitchens • Cloud Kitchens • Industrial Canteens
Caterers • Food Courts • QSR Chains • Food Processing Companies

Application: Frying of Savouries, Snacks, etc

Capacities: 18, 23, 40, 60, 80 & 120 Litres
